The stock in the **Sale part of this catalogue** (items 1 to 336) is an attempt to clear the remains of stock from the year's previous catalogues.

Book prices have already been reduced in many cases and further reductions are available to those who wish to take a risk that their chosen books will be available 10 or even 20 days after receiving this catalogue. Books will be dispatched once orders are complete – this may take up to three weeks if you order books at 50% off.

How the Sale works

First 10 days of sale.....All books available at prices shown in the catalogue

After 10 days.....If books are still available, we reduce their prices by 25%

After 20 days.....If books are still available, we reduce their prices by 50%

We have also included just over three hundred **Special Offers** at the end of the catalogue (items 337 to 642). These **Special Offers** are available at the prices indicated and **are not part of the Sale terms**.

Books can be ordered using the order form enclosed, by telephone, email or letter. For Sale books, please indicate your price preference when ordering (full, 25% off or 50% off). We number and date orders so that the first customer to order a book/s at reduced prices will be successful if the book is unsold after the first 10/20 days.

We accept debit and credit cards, bank transfers, cheques and Paypal. We do not accept American Express. Postage on books is charged at cost.

We are always interested in purchasing large or small collections in our specialist subject areas and are quite happy to travel to view.
